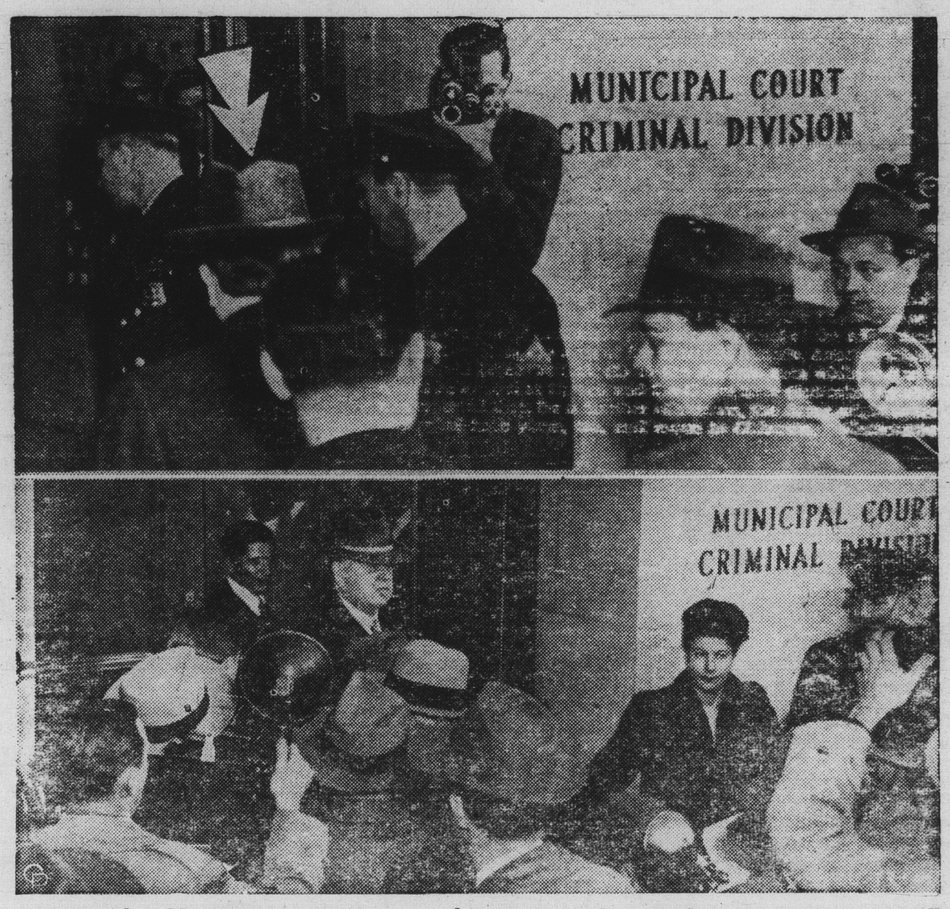
John L. Lewis and Miners Fined 3½ Million But Coal Still Not Mined



As the Nugget went to press this morning the crippling coal strike was still on. John L. Lewis was personally fined yesterday $10,000 after being found guilty of contempt of court in defying the government of the United States. His union was fined 3 1-2 million dollars. President Truman is in conference with his best advisers. "Iron Age", authoritive publication of the monster steel industry predicts early settlement. However, the miners themselves are reported to be bitter and angry at the court's findings and Lewis himself displayed undisguised rage in court as sentence was pronounced.

BOYS PLAY WITH GUNS ONE WOUNDED BADLY

NEVADA CITY: "Cops and robbers" between two groups of youngsters armed with .22 calibre rifles, resulted in sending Howard Downs, 11, to the Nevada County Hospital Saturday night with a bullet hole through both legs. He is recovering from loss of blood.

The shot was fired by Tony Williams, 11, member of another group hunting in Hirshman's Diggings at the same time. According to Sheriff Carl J. Tobiassen, Downs was shot after an exchange of shots between the two groups. The youth who wounded the Downs boy said he thought he was firing at stumps. An investigation is being made by the sheriff, District Attorney Ward Sheldon and Probation Officer A. W. McGagin. The sheriff states has warned the children several times not to carry their guns around with them.

HYDRAULIC MINERS TO MEET

COLFAX: Next meeting of the California Hydraulic Mining Association will be at the Colfax Hotel, Sunday, December 8th, at 2 p. m. The usual pre-meeting luncheon round-table will be at 1 p. m.

It's Raining

The old duck looked at the sky late Tuesday afternoon and said "Well, here we go again." "Did the last storm break any records?" "Don't know about that," said the Duck," but it was the only storm in Nevada City that ever drowned out the weather observer." "So now I got a new boss, Chief of Police, Max Solaro." "How does Max like his new job," we asked. "This is the last straw" said Max. I get blamed for speeding cars and for houses burning down and now they are going to blame me for the weather." Next issue we'll have Solaro's first rain recordings—that is if the fire alarm doesn't ring at the wrong time.

CHURCH PLANS BIBLE SUNDAY CELEBRATION

NEVADA CITY:

Taking part in a world wide activity the purpose of which is to arm and implement the peoples of the world with the means of accomplishing peace and goodwill, the Nevada City Methodist Church will celebrate Universal Bible Sunday, December 8. Rev. Joseph W. Moore, minister of the local church in giving out this announcement says that Bibles—not bombs and bayonets need to be dropped into the heart of Japan and Germany as well as into the life of our own Christian nation.

There for this year's observance of universal Bible Sunday is "The Word of Power for a Power Age" and the scripture text selected to support this concept is "Not by Might nor by Power, but by my Spirit, Saith the Lord" Zechariah 4:6. The support of the work of the American Bible Society which for 130 years has been distributing the Bible to the world in languages of 9-10th of the human race is an important part of the benevolence program of the Methodist Churh, as well as that of some 50 denominations. From Japan Christian leaders look to the American Bible Society as the source of supplying 100,000 Japanese Bibles and 2,500,000 Japanese new testaments.

Much of the same story is told of the eagerness of the German pastors and people to get Bibles and testaments as an essential part of their sprirtual rehabilitation.

Sunday school meets at 10 a. m. with classes for children, youth and adults and the morning worship follows at 11. Methodist Junior Youth Fellowship meets at 5 p. m. and the senior youth have their social and worship period at 5:30. The evening worship is at 7: Dr. Moore also announces the 2:30 Sunday afternoon preaching service at North San Juan Methodist Church.

GALA EVENT AT BPWC MEET

NEVADA CITY: The November dinner meeting of the Nevada City Business and Professional Women's Club in the National Hotel Monday night was a gala event in which a group of 16 new members were initiated.

The new members are Evelyn Noran, Virginia Bergemann, Vivian Berggren, Olive Pirece, Thelma Steck, Bertha Hegan, Edna Hanson, Hazel Long, Eleanor Hanson, Lettie Baggley, Louise Kyle, Rose Murphy, Lois Larsen, Mildred Allen andYvonne Casswell.

Highlights of the evening was the presentation by the president, Mary Kohler of a check for $651.17 to Adele Sturtivant as a contribution toward a fund for a Girls Scout lodge.

DEATH CALLS MRS. CECILIA GENASCI

Mrs. Cecilia Genasci, well known local resident, died at 1:30 p. m. Wednesday in the Community Hospital. Her husband, Charles Genasci and her daughters, Miss May Genasci, Mrs. Frank Wright, Mrs. Verna Wright and Mrs. Leon Christenson, were all at her bedside.

Mrs. Genasci was the daughter of the late Mr. and Mrs. Louis Muscardini, and was born in Blue Tent district May 14, 1887. She attended both Willow Valley and Blue Tent schools. She was united in marriage to Charles Genasci in the old family home July 23, 1903. Following their marriage they left for Roslyn, Wash., where they resided for several years and where their eldest daughter, Miss Florence Genasco was born. They later returned to this city where they purchased an acreage adjoining the old Genasci property, where they have resided ever since.

Low mass will be read by Father Virgil Gabrielli at 10 a. m. Friday at the Catholic Church. There will be a rosary at 8 p. m. Thursday at Holmes Funeral Home. Interment will be in Pine Grove Cemtery.

Besides her husband and daughters, Mrs. Genasci is survived by three sisters, Mrs. Harry Salani, Sacramento, Miss Rose Muscardini, Sacramento, Mrs. Mary Silva. Jack Muscardini of Nevada City is her brother. There are numerous nieces and nephews.

JUDGE JONES SENDS RETIREMENT NOTICE TO SECTY OF STATE

NEVADA CITY: Judge George L. Jones, dean of Nevada County lawyers, yesterday sent his resignation as Judge of the Superior Court to the Secretary of State.

The resignation is to take effect on December 31st.

MRS. MAY GOYNE RESIGNS RED CROSS POST

NEVADA CITY: At last nights monthly meeting of the Red Cross Directors of Nevada City the resignation of Mrs. May Goyne as Secretary was reluctantly accepted and the position filled by Mrs. Audrey Walkington, whose work in the interest of the community is well known because of her PTA activities.

Mrs. Goyne as every resident knows has been ever faithful in her Red Cross duties in times of peace and war and during the difficult years of World War II was active secretary of the local chapter. In the minutes of last nights meeting was included the faithful record of Mrs. Goyne down through the years and the resolution passed by the directors in way of commendation.

Mrs. Quinn Bondbrake reported on the activities of the local home service and 12 active cases were discussed. While the load is light at the present time there is every indication that the demands on the Red Cross will soon be on the increase and the local chapter is laying plans for such an eventuality.

Mrs. Isabel Hefelfinger appeared before the directors in a request that the Nevada City Chapter combine with the Grass Valley Chapter i narranging for a nursing course to take place locally in January. The home nursing course would consist of six two-hour lessons and would be given by a skilled trained nurse. Classes would take place in the afternoon in the room No. 14 of the high school.

The directors believe that such a home nursing course is essential and hope that sufficient ladies will show their interest and submit their names to Mrs. Hefelfinger in the immediate future. However the directors hesitated in advancing the Nevada City quota of $150 until at least 50 local women sign on the dotted line of their intention to avail themselves of this free streamlined home nursing course. It is hoped that all heads of local women's organizations will publiccize the nursing project and will encourage their membership to take the course and show their support of the local Red Cross.

The Red Cross will again cooperate with Grass Valley in providing Christmas cheer for the hospitalized at Camp Beale. Twenty pounds of candy and 400 cookies are to be made and packaged by the local chapter. The Soroptomist Club has volunteered to make the candy and the chapter would welcome housewives to make the cookies. Ingredients will be purchased by the Red Cross and an effort is now being made to get sugar stamps from the proper authorities. After supplies have been arranged for a call will be sent out for cookie makers. They will give their culinary skill and time and will not be out any of their own stock of shortening or sugar.

Mrs. Louise Noves made an interesting report on Junior Red Cross activities. The present membership of the junior organization is 586 locally. At Thanksgiving their project was gift boxes for veterans in hospitals. At present they are working on boxes for children of war ravaged nations. In an effort to get schools operating overseas a call was sent out for school supplies such as note books, pencils, etc. Donations of items of this nature will be welcomed by Mrs. Noves and will be forwarded to foreign countries.

Bob Paine, local Red Cross director presided at last night's meeting in the absence of Chairman Bob Tamblyn.

SBAFFI APPOINTED HOSPITAL SUPT.

NEVADA COUNTY HOSPITAL SUPERINTENDENT JOB IS COMBINED WITH DIRECTOR OF COUNTY WELFARE OFFICE IN EFFICIENCY MOVE BY BOARD OF SUPERVISORS

John Sbaffi, County Welfare Director for the past year was yesterday appointed Superintendent of the Nevada County Hospital. The post was made vacant by the death of Alvin Walthers two months ago. ....

The Board of Supervisors in combining the job of Welfare Director with that of County Hospital Superintendent did so for efficiency reasons. For some months past all cases entering the hospital have been cleared through the Welfare Office and the collection of fees at the hospital has been the responsibility of the Welfare Director.

Sbaffi has in the past year made an excellent record as Welfore Director and the Board felt that the knowledge he has gained in his present office would be of utmost value in his additional duties. Much of the principal work of the hospital is in the purchase of supplies and Sbaffi in purchasing supplies for indigents has been able to establish a record of economy.

Sbaffi, a native resident of Nevada City is a graduate of the local high school and St. Mary's in Grass Valley. For many years he was accountant for the Lava Cap Mines Corporation. Before Pearl Harbor he enlisted in the United States Army and spent a long period overseas in infantry combat with the rank of captain. On his return to the United States he was assigned to DeWitt Hospital on active duty and where he gained considerable experience in hospital work.

There will be no changes in the present hospital staff. Sbaffi will assume his duties today.

CAROL CHOIR PLANS SEASON OF SONG

January 5—at 11 a. m. an engagement at the Methodist Church in Woodland, with an evening concert in Sacramento under consideration.

The choir may make a radio broadcast during the holiday season.

EXPENSES FILED BY CANDIDATES

Candidate expense statements filed by the candidates or the various county offices at the recent election show that Vernon Stoll, candidate for superior judge, had the largest campaign expense of $651-.41.

Stoll was followed closely by elected superior judge James Snell, whose statement showed $630.89. Others included Carl J. Tobiassen, incumbent candidate for sheriff. $529.89; Richard Hoskins successful sheriff candidate $190.50; and John Curry, successful candidate for constable Nevada Township $34.55. No statement was filed by Marcum Baker candidate for constable. The statements had to be filed according to law by November 30.

EXTRA ELECTION NOT FAVORED BY SUPERVISORS

NEVADA CITY: The County Board of Supervisors expressed themselves yesterday as opposed to the calling of a special election to fill the state senate seat vacated by the election of Jerrold Seawell to the Board of Equalization.

William W. Esterly who had declared himself to be a candidate for the state senator in the event of a special election, appeared before the supervisors and urged that such a resolution be passed.

Cost of the election was estimated at $3400, and the supervisors pointed out that it was better to leave that decision up to the governor in whose hands the question is anyway.

A delegation captained by George Galletto, consisting of Rough and Ready residents who live on the road between Rough and Ready and Dry Creek requested the county to take over maintenance of the road and rectify existing deplorable conditions. Supervisor Warren Odell of the district concerned, spoke favorably of assenting to the delegations request.

Supervisor Guerdon Ellis of Tahoe national forest requested an ordinance for the disposal of waste and slash in county logging operations. A tremendous hazard exists, he said, in the Deer Creek watershed area. Ellis' proposed ordinance would make it mandatory to follow certain stipulate regulations in the disposal of 'slash", which consists of waste parts of trees—branches too small to be utilized for lumber.

All members of the Board were present.

NO XMAS TREE CUTTING IN CERTAIN AREAS

NEVADA CITY: No Christmas trees for individual cutting from national forest land on the Bloomfield ranger district will be allowed announces Ranger Warren Barnes of the Tahoe national forest. This policy in effect again this year is due to the continued scarcity of available trees and the difficulty of individuals distinguishing government owned land from that owned privately. Trees have become so scarce from continued yearly cutting in the Highway 20 area that there are nowhere near enough trees for everyone who would want to cut them explains Barnes.

In order that everyone can obtain a tree in the Nevada City-Grass Valley area, sales of trees from the Bloomfield district have been made to local dealers in a quantity enough to supply all. With minor exception all trees cut on government land on the Bloomfield ranger district will be retailed locally adds Barnes. No government land trees from this area are being shipped to the urban centers.

For those who wish to cut their own tree Ranger Barnes suggests that they cut on private land. Written permission should be obtained before cutting the tree. Patrol is being maintained and those transporting trees without written permission will be subject to arrest. This must be done states Barnes to control the continued unauthorized cutting of trees from both private and government land.

AN OPEN LETTER TO THE PRESIDENTS OF EVERY CIVIC ORGANIZATION IN NEVADA CITY

Dear Mr. and Mrs. President:

The idea, first voiced by the Nugget, of PLANTING 200 SUGAR MAPLE TREES next Arbor Day is catching on. Much comment, all of it favorable, has come to the Nugget on this plan.

Think of it—instead of the occasional bright fall spots of color that attracts occasional artists and beauty lovers already— in a few years, the whole town bursting into a glorious blaze of brilliant shades of yellow and scarlet every autumn. People will come from down below, from every part of California and even from other states—we'll become famous as West Coast beauty spot!

Everyone who thinks about it is for it. And everyone who loves Nevada City thinks about it.

At your next meeting, please discuss the matter. See how much interest in the project there is on the part of your members. If we are going to take this step toward REALLY PUTTING NEVADA CITY ON THE MAP AS ONE OF THE BEAUTY SPOTS OF CALIFORNIA, now is the time to get busy.

The Gillet Nursery informs us that, THE MAPLES CAN BE SECURED. ome are on hand and available now. But in order to plant the full number, we'll have to start now, so that the trees may be available on Arbor Day.

There's the idea—out on the table, the very sort of thing ot bring credit to our town and to our civic orgnization. The type of promotional activity they were created to develope.

Yours for a greater and more beautiful city. H. M. L. Jr.

PRODUCTION! PRODUCTION!

Why wouldn't is be a good idea for every factory, at the end of the day, just to divide up the day's production—so much to each workman, so much to management, a little to the owners for making the factory possible.

You wouldn't have any obsolete equipment or methods very long—owners and managers would get the finest, so that production would be greater. And you wouldn't have any slow-downs by the workmen, no loitering on the job, nor limits set on output—the workmen would want more efficient production, too, for that's the only way they would have more at the end of the day to divide.

But—that is the way workmen and managers and owners are paid. The only difference is that the company sells their production and divides up the money, to make it more convenient. The fact still remains that the only way anyone is going to get more is to produce more. That's the only place from which it can come.—Contributed.

MAIN AT MILL

By BOB PAINE

Grass Valley is where the Smiths' and Browns' and Jones' are numerically less than the Georges,' the Bennetts' and the Crases.' Grass Valley is where a tourist dictionary should explain highgrading, muckstick and pasty. Grass Valley is where its main street is Mill. "Down below" doesn't mean a firey eternity but the Mountaineer's term for the "city." Grass Valley that has at least two ex-millionaires who today work for their daily bread even as you and I. Grass Valley—that has more glorious singing voices per capita than any town in the country. Grass Valley whose second theatre is named after a king's mistress. Grass Valley—full of characters, like the one who never forgot somebody in need at Christmas time but whose profession kept her socially inferior. Grass Valley—queen city of the Sierras!

To have a special election or not to have a special election—that is the question. The resignation of Jerrold Seawell to accept his election to the Board of Equalization, has created a vacancy in this district for a seat in the State Senate. Before a special election could be called the session of the legislature would probably be over. Most county officials are opposed to a special election because the estimated cost inNevada County would approximate $3000. Yet should important matters come up this area would be without a vote. Many people feel that Jesse Mayo who used to be our assemblyman will look out for our interests in the senate although he represents another section. Then too if "Scoop" Thurman is elected to the senate, his assembly seat would be vacant and the whole machinery would have to be set in gear again to fill that job. What do you think?

Who will be the first from heaven in '47?

The author of this column for no good reason at all is going to start a $5 bank account for the first baby born after midnight in Grass Valley this new year. If its twins $10 will be donated. But thats as far as we'll go. My funds are limited and for all I know a potential Dionne is hovering near the maternity ward. But provide the timing and I'll provide the $5. There is absolutely no obligation to name the newcomer "Nugget."

We had a friend in the service whose father ran a general store in upper New York state. The old boy was quite an operator. Each new employee got a card in his first pay envelope with the following ten commandments of the boss.' They look like a pretty good set of rules. Here they are:

1 DON'T LIE—it wastes my time and yours. I'm sure to catch you in the end—and that's the wrong end.

2 WATCH YOUR WORK— and NOT THE CLOCK. A long day's work makes a long day short—and a day's short work my face quite long.

3 Give me MORE than I expect nad I'll pay you MORE than you expect. I can increase YOUR PAY if you INCREASE my profits.

4 You owe so much to yourself that you cannot afford to owe anybody else too.

5 DISHONESTY is never an accident. Good men, like good women, can't see temptation when they meet it.

6 MIND YOUR OWN BUSINESS and in time you'll have a business of YOUR OWN to mind.

7 Don't do anything here which HURTS YOUR SELF-RESPECT. The employee who is willing to steal for me is also capable of stealing from me.

8 It's none of MY BUSINESS what you do at night, but if dissipation affects what you DO THE NEXT DAY and YOU DO HALF as much as I demand, you'll last only half as long as you hoped.

9 Don't tell me what I'D LIKE TO HEAR—but rather WHAT I OUGHT TO HEAR. I don't want a valet to my vanity—BUT I NEED ONE for my dollars.

10 DON'T KICK IF I KICK—If you're worth keeping while correcting you're worth while KEEPING ON.

I don't waste time cutting specks out of rotten apples.

NEVADA CITY 75 YEARS AGO

The colored people connected with the A. M. E. Church in this city gave a festival at Hamilton's Restaurant for the benefit of their pastor. The tables were loaded with all the delicacies of the season and the tickets of admission were placed at the low price of fifty cents. At the conclusion of the evening forty dollars was gratefully received by Rev. Petter Killingsworth.

Total rainfall for the season to date was 6.69 inches.

Thanksgiving day was generally observed in this city. The customary union church services were held in the Methodist Church. The services were opened by the Rev. J. W. Stump of the Methodist Church, the Rev. E. Halliday of the Congregational Church delivered an eloquent discouse from the text and the serdiscourse from the text by Rev. J. A. Wirth of the Baptist Church.

The Pennsylvania mill at the outskirts of town was to receive an additional battery of four stamps. The ledge was increasing in thickness and the number of stamps in use was inadequate to keep up with the work men who were engaged in taking out rock. The Pennsylvania was a richly paying mine.

Persons were being urged to deposit their money in the San Jose Savings Bank. E. J. Spence, formerly of this city was secretary of the bank one of the best in the state with a capital of $300,000.

F. Power of this city, passed the examination and was authorized to organize a Fifth University Class in order to prepare those who desired it for admission to the state university.

TAX RATE HERE IS NOW $1.56

First installment of local tax bills which Nevada county property owners must pay by December 5 includes a $1.56 rate for general county purposes which is levied on the $19,824,750 assessed valuation of taxable property in the county California taxpayers association said today.

Last year's tax bills included a $1.34 general purposes rate levied on $18,968,990 o assessed valuation throughout the county.

The county tax rate is only one of the local government rates which is levied on property the taxpayers association pointed out. In addition, rates are levied by school districts, cities and special districts. No state rate on property levied in California, although such a rate is permitted by the constitution.

Throughout the state county general purpose rates for 1947 range from the $10 per $100 of valuation of Placer county to $3.389 for Yuba county. Last year rates ranged from 76 cents for Placer county to $3.01 for Trinity county.

Adobe Soil Will Not Make Adobe House

DAVIS: Adobe clay will not make good adobe houses; the prospective builder should have tests made to determine the characteristics of his soil.

Three methods of adobe construction are described: bricks, rammed earth and poured adobe or mud concrete. The cost it is explained, is just about that of a wooden structure the same size, although the builder can cut expense by using his own labor and eliminating decorative features.

Veterans' News

Veterans who have not designated beneficiaries of their National Service Life Insurance are being urged to do so by the veterans administration.

VA points out that the new insurance law passed by congress last August eliminated the provision for an automatic order of succession when beneficiaries have not been designated by policy holders.

Under the new law, if the insured is not survived by designated beneficiaries the proceeds of his insurance will be paid in a single sum to his estate.

As part of an estate, insurance loses its identity as such and is subject to all laws governing estates, including claims of creditors, administrator's fees and court expenses. In any event, VA says the veteran who fails to designate his beneficiaries might expose his dependents to unnecessary risk of expense and delay.

It is also important that contingent beneficiaries be named and that all beneficiaries be kept up to date. VA explains that the death of a first beneficiary might cause the unpaid balance of a policy to be paid to the insured's estate if there is no designated second or contingent beneficiary. If a beneficiary should die before the insured, another beneficiary should be chosen so that the insurance benefits will go where the insured wants them to go.

Q: Where do I apply for self-employment readjustment allowances?

A: At your local California State Employment Service office.

Q: I'm in business for myself as a member of a small corporation and own 40 per cent of the stock. If the corporation is giving me a net income of less than $100 a month am I entitled to a readjustment allowance as a self employed veteran?

A: No. The fact that your business is a corporation excludes you from the class of self employed veterans.

Q: Can my beneficiary change the plan of payment I chose for my GI insurance?

A: A beneficiary may choose to receive payments over a longer period of time than originally designated by the insured but not for a shorter period of time. For example, if you designated that your insurance be paid in 36 monthly installments, your beneficiary can have it spread over 5 10 or 20 years but not over a period of time less than the 36 months you stipulated.

TRAFFIC SIGNALS

Speeding up to beat a traffic light is a frequent cause of traffic accidents. Little time will be lost and safety will be increased if motorists will take it easy when approaching traffic signals.

Dorothy Maynor To Sing In Sacramento December 13

Dorothy Maynor, the famous Negro soprano whose bell clear voice and brilliant stage personality have earned her the title of the world's foremost lyric soprano will be in Sacramento Friday evening, December 13 to sing for the Sacramento music series.

Miss Maynor will sing in Sacramento for the first time in five years. Her last appearance here followed her Pacific Coast debut with the San Francisco symphony.

Daughter of a Norfolk, Va., Methodist minister, Dorothy Maynor received her first musical training in the choir of her father's church. She is a graduate of Hampton Institute which she entered at fourteen and where she received her first vocal lessons. A few years later, she toured Europe as a member of the Institute's famous Negro chorus. Afterwards she studied at Wesminster Choir School in Princeton, N. J., until a few friends, aware of her talents persuaded her to assay a singers' career.

Tickets for Maynor's concert here are available now at the Ware-Hazelton box office at Weinstock-Lubin's.

FIRST WOMEN TO FACE HANGMAN IN CANADA

AWAITING EXECUTION BY HANGING, in Toronto, these three women are the first in Canada's history to go to the gallows. They are (l. to r.): Mrs. Evelyn Dick, scheduled to die January 7 for slaying her husband; Mrs. Marie Desmeules, who must die November 26 for the murder of her landlady, and Mrs. George Popowich, who will die with her husband for the ride-murder of a neighbor, from whom they stole $100. Cars Should Be Readied Now For Winter Driving

With the rainy season started now is the time for motorists to winter check their cars, protecting themselves against possible break downs and delay in bad weather and at the same time reducing the danger of accidents the California State Automobile Association warned today.

Defects in the ignition system constitute one of the principal causes of wet weather break downs the automobile association points out and motorists are advised to make sure that all ignition parts are free from grease, oil and moisture- retaining substances.

Spark plugs, coil, distributor and all ignition wires should be thoroughly cleaned and all ignition units should be inspected for electrical leaks and other defects.

Safety features of the car including brakes, windshield wipers, lights and horn should be inspected and put in condition for winter driving, the association advises. Brakes should be serviced for severe usage on the wet pavement and tires should be recapped if the tread is worn smooth.

Finally motorists are urged to hold speed down in wet weather driving. Sudden and hard application of the brakes on wet pavement will cause dangerous skidding. To prevent skidding corners should be taken slowly and quick turns should be avoided.

California is among the 23 states in which Veterans Administration now has completed contracts with staate medical groups in VAs home town medical care program for veterans.

UNIVERSITY WOMEN HEAR WEAVING TALK

GRASS VALLEY: Mrs. Robert T. Ingram was hostess Tuesday night, December 3, to the Nevada County Branch, American Association of University Women. Axel Gravander gave a talk on weaving, and accompanied the lecture by a demonstration on a large loom.

The program was in charge of the Creative Arts section.

PREFERS JAIL TO WIFE

Home is OK but jail is better according to the way a 36 year old Houston shipyard worker figures it. He refused to leave jail after seeing a woman ready to post bond for his freedom. "Oh no you don't" he told the jailer. "I'm not leaving here. That woman is my wife." He went back to his cell. His wife went home.

GRAND JURY TO MEET DECEMBER 10

NEVADA CITY: Judge George L. Jones yesterday has ordered a grand jury impaneled December 10th. This will be the last grand jury impanelled by Judge Jones, as he retires January 6th. James Snell, Grass Valley attorney and Nevada City resident, elected to the office, will enter on his duties on that date.

EPISCOPALIANS HAVE ONE-ACT PLAY

GRASS VALLEY: Members of Emmanuel Episcopal Church gathered in the Parish Hall Tuesday night, December 3rd for an evening of games and entertainment. A one act play was presented. Refreshments were served at the close of the program.

MANY FRIENDS ATTEND FUNERAL OF MRS CLEMO

NEVADA CITY: A great number of out of town friends and relatives visited Nevada City to attend the Saturday funeral services for Mrs. Esther Ann Clemo, 93, mother of Mrs. C. R. Murchie.

Among them were: Mr. and Mrs. S. E. Curnow, Berkeley, Mr. and Mrs. J. T. Clemo, Hayward, Mr. and Mrs. Myron Curnow, Berkeley, Mrs. Ann Curnow, Oakland, Ellsworth Curnow, Berkeley, Mrs. and Mrs. Leonard Clemo, Sacramento, Mr. and Mrs. Robert Clemo, Richmond, Mr. Carl Murchie, Stockton, Mr. Arnold Murchie, Loomis, Mrs. Margaret Clemo, Oroville, Mr. and Mrs. Ed Warren, Sacramento, Mr. and Mrs. Leon Sanford, Squirrel Creek Ranch, Mrs. Art Smidt, Oakland,

From Grass Valley were: Herbert Nile, James Nile, Mrs. Emma Sauvee, Mrs. Jane Weigey, Mr. and Mrs. El Clemo.

From Oroville came Mrs. Kate Everett, Miss Elizabeth Everett and Miss Laura Everett.

Carl Murchie, son of C. R. Murchie and formerly of this city, was soloist at the services. He sang O That Will Be Glory For Me and Sun Rise Tomorrow.

Rev. Joseph W. Moore and Rev. David Ralston conducted the services.

Pall bearers, all grandsons of the late Mrs. Clemo, were: Arnold Murchie, Carol Murchie, Leonard Clemo, Robert Clemo, James Nile and Ellsworth Curnow.

OPA Tells Landlords Of New Instructions

All landlords operating a hotel, rooming or boarding house, motor court, tourist court or space rented in an auto or trailer camp in rent area counties are required to file supplemental registration statements for their establishments before December 31, Henry A. Cross, area rent director announced.

Landlords affected may obtain the necessary forms by calling at their local rent office.

Cross explained that this registration is being conducted throughout the country to comply with a provision of the price control extension act of 1946 which directs OPA to classify separately transient hotels, residential or apartment hotels, rooming houses and tourist courts.

It is vital that all landlords affected register promptly and file the registration form in duplicate so that their establishments may be classified poperly on the basis of the data submitted.

Landlords in the area who rent only houses and apartments under the housing regulation need not file this additional registration and are not affected.

Those required to register will find registration easy. They are required only to fill out a single page form in duplicate and send or bring both copies to the local office. After the forms have been checked the duplicate copy will be returned to the landlord filing it with the classification of the establishment shown in the upper right hand corner.

PERSONALS

C. E. La Boyteaux former resident has purchased the home next to Tickells on Nevada Street and will again become a Nevada City resident.

John M. Becker is ill at the Miners Hospital. His condition is such that a heart specialist from San Francisco has been called in consultation.

Mrs. Gertrude Trezona, daughter of the late Mrs. Annie M. Paine is remaining here for a few days before returning to her home in Beverly Hills. Other family members returned to their homes after the funeral.

Nearly 9000 ex-service women were on Veterans Administration pay rolls as of September 30.

CITY COUNCIL TO MEET

The city council of Nevada City will meet in regular session tonight at 8 at the city hall with Mayor Irvine Seaman presiding.

Routine matters will be handled by the council as well as further plans on the proposed sewage disposal system which must be installed in the city.

From where I sit ... by Joe Marsh

How to Stop Worrying

I guess folks in our town do about as much worrying as in yours—over housing and prices, and crops, and jobs—and the little domestic problems that are always coming up.

Dad Hoskins, who's lived to the happy age of eighty, has a simple formula for stopping worry. About every problem, he asks himself: Is there anything I can do about it? If there is, he never postpones making a decision, or taking necessary action.

If there isn't anything he can do about it, he sets aside a "worrying hour" after dinner, and gets his worrying over in one concentrated period. When that's over, he relaxes over a friendly glass of beer with Ma Hoskins—and they talk about pleasant things together, until bedtime.

From where I sit, that's as workable a formula as you could find ... right down to the mellow glass of beer that seems to wink away your worries.

Joe Marsh

This year alone, we have added 305,000 telephones

They're going in as fast as we are able to install them ... the telephones needed on the Pacific Coast. In 1946 alone, we have already added more than 305,000 and thousands more go into service every month. But there is still a big job ahead.

Complicated switchboards, cables, dial equipment and even new buildings have to be built before everyone who wants a telephone can get one. This will take time because our progress is handicapped by shortages of materials and by the disturbed conditions throughout the country affecting manufacturers' output and our construction projects. Meanwhile you may be certain that we will do everything we can.

For it is our purpose in our huge expansion program to provide service for everyone who wants it just as rapidly as possible ... better service than ever before ... a more valuable service to every user. We are spending this year for gross plant additions an aggregate of $130,000,000 which exceeds by $55,000,000, or 73 per cent, our previous highest yearly plant expenditures in 1941 of $75,000,000.

An ever-improving telephone service *at the least cost consistent with good wages and working conditions for our employees and a reasonable return to the thousands of people who have invested in the business.*

A Letter on Christian Living — ILLUSTRATED SUNDAY SCHOOL LESSON — By Alfred J. Buescher

Scripture—Acts 19:1-20:1; Ephesians.

In Ephesus Paul asked the brethren if they had received the Holy Ghost and was told no, John the Baptist baptized them. Paul baptized them in the name of Jesus Christ and the Holy Ghost fell upon them.

In Ephesus God performed miracles by the hands of Paul, so that "from his body were brought handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them."

Demetrius, a silversmith who made silver shrines for Diana, complained to his fellow workers that these Christians were taking away their business because they preached Jesus and not Diana, whose silver statues the men made.

Sons of Sceva, chief of the priests, tried to exorcise spirits from those possessed, in the name of "Jesus whom Paul preacheth." The possessed man leaped on them and beat them.

MEMORY VERSE—Ephesus 4:32.

NAVY IN KEY PACIFIC BASE SHIFT

SHARP CUTS in the Navy's Pacific base plans, recently recommended, are said to approve abandonment of the extensive Leyte-Samar base area in the Philippines while concentrating most of the naval facilities in the Kwajalein (1) area of the Marshall Islands. Another subsidiary base would be at Kodiak (2) in the Alaskan area while major bases would be located at Hawaii and the Guam zone (indicated by star). It was reported that, for a number of reasons, the Army might revise its Philippine base plans, too, and move to Okinawa. *(International)*

Elbow Macaroni and Lima Beans

1-2 package Mueller's Elbow Macarino.
1 cup cooked lima beans
1-2 tablespoon flour
1 1-2 tablespooms butter
4 slices broiled bacon
1 cup milk
1-2 teaspoon salt
1-4 teaspoon paprika
1 cup grated cheese

Parboil the elbow macaroni for 7 minutes in 2 quarts rapidly boiling water to which 1-2 tablespoon salt has been added. Drain. Make a white sauce in a double boiler by melting butter, blending in flour and milk and seasoning with salt and paprika. Cook until the mixture thickens the add the grated cheese. Continue cooking until cheese is melted. Into a well greased baking dish put alternate layers of the macaroni and lima beans, continuing umtil the ingredients are used up. Allow the top layer to be elbow macaroni. Pour the cheese sauce over this, cover with the sliced bacon and bake in a moderate oven for 20 minutes. Fresh or canned lima beans may be used.

2 tablespoons minced onion.
2 tablespoons tomato catsup
1-2 teaspoon salt
1-2 teaspoon pepper

Combine ingredients and turn into a buttered bread pan. Bake in a moderate oven, 360 degrees F., about 25 minutes. To serve unmold in center of platter, place strips of crisp bacon over the top and garnish with slices of fried tomatoes.

TOASTED SNOW SQUARES

For company dinners or plain ones that need the "light, sweet touch" to top them off, here is a simple, yet pleasing dessert glamorizing such familiar pantry shelf inhabitants as plain gelatin and graham crackers:

Soak 1 envelope, 1 tablespoon, plain unflavored gelatin in four tablespoons cold water 5 minutes. Add 1 cup boiling water and stir until dissolved. Add 2-3 cup granulated sugar and stir until dissolved. Let cool until beginning to set; then add 3 egg whites, unbeaten, 1-3 teaspoon salt and 1 teaspoon vanilla extract. Beat with a hand beater or electric beater at high speed until mixture is light and resembles thick cream. Turn into a 9 inch by 9 inch by 2 inch pan which has been rinsed in cold water and chill until firm. In serving cut pudding into 1 inch squares and roll in fine crumbs of sixteen graham crackers. Arrange in sherbet glasses: top with butter sauce. Serves 8 to 10.

MACARONI RING

The recipe given below has an unusually fine flavor and perfect with creamed fish or vegetables. It's colorful and molds beautifully in small or large rings:

4 tablespoons butter
2 tablespoons flour
1 teaspoon salt
1-8 taspoon pepper
1 cup milk
2 tablespoons diced pimiento
2 tablespoons minced parsley
1-2 cup grated American cheese
2 eggs well beaten
4 cups cooked elbow macaroni
1 cup bread crumbs

Melt the butter in a saucepan; add flour, salt and pepper, gradually add milk, stirring constantly to prevent lumping. Bring to a boil and cook 3 minutes. Add pimento, parsley and cheese. Stir until cheese is melted. Add well beaten eggs, macaroni and bread crumbs. Pour into an 8 inch ring mold or into individual ring molds, well greased with butter. Bake in a 350 degree oven for about 25 minutes. Unmold on large platter, fill center with desired creamed mixture and garnish with sliced stuffed olives.

LIVER NOODLE LOAF

1-2 pound beef or pork liver
2 tablespoons fat
1 cup cooked noodles
2 tablespoons chopped onions
1-4 cup chopped celery
1 tablespoon minced parsley
1-2 taspoon salt
1-4 taspoon pepper
1-2 cup soft bread crumbs
1-2 cup milk

Brown liver well on both sides in fat heated in frying pan. Cook and put through food chopper. Combine with rest of ingredients and lightly pack into buttered loaf or round pan. Bake 50 minutes in moderate oven.

BEANS IN THE BOSTON WAY

Good baked beans of the Bostonian school calls for adding 1-2 cup of molasses, 1 tablespoon of dried mustard, diced onion and 1-2 lb. of cubed salt pork, besides 3 tablespoons brown sugar to 1 pound of dried navy beans.

The beans must be soaked overnight and cooked in a stone pot, slowly (250 degree oven) for six to eight hours. But if you, too, have frequent hankerings for Boston baked beans and lack the time to bake them you can buy a variety that has been brick oven baked, according to the true down east tradition.

PRUNE CAKE

2 1-2 cups sifted cake flour
1 teaspoon baking powder
1 teaspoon soda
1-4 teaspoon salt
1 teaspoon cloves
1 teaspoon allspice
1 teaspoon cinnamon
1-2 cup shortening
1 1-2 cups beet sugar
2 eggs well beaten
1 cup cooked prunes, well drained, coarsely chopped
1 cup sour milk or buttermilk

Sift together flour, baking powder, soda, salt, and spices. Cream shortening and sugar until very light and fluffy. Add eggs and beat well. Add prunes and mix thoroughly. Add flour mixture alternately with milk a small amount at a time, beating well after each addition. Bake in two 9 inch greased layer pans in a 350 degree F oven about 30 minutes or until done. When cool, spread with a butter frosting, flavored with orange juice and grated rind.

Four More Due

SURPRISED and happy over the news, Mr. and Mrs. Charles Henn are shown with their one-year-old son, Charles, Jr., after a Baltimore, Md., doctor declared the British war bride is to become the mother of quadruplets. The physician said that X-ray photos showed the foursome. *(International Soundphoto)*

YOUTH FORUM MEETING FRIDAY

NEVADA CITY: Inviting representatives of 26 associations, service clubs and agencies of the community the Methodist Church's special Woman's Committee on Youth Recreation will hold its first open forum on Youth Recreation for Nevada City Friday evening at 7 o'clock in the social hall of the church.

Leaders in the field of education and youth guidance have been requested to present the pros and cons on the subject both as it is being tested in other communities and as to what possibly may be done here.

Many individuals and groups have been actively concerned with the need, and with promotion projects aimed at providing youth with wholesome recreation under competent guidance, but feel that so far there efforts have been only partial and scattered in effect. There is considerable support for the proposition that this vital business should be coordinated and made a community wide undertaking.

Sparks are expected to fly when the aforementioned pros and cons get out into the open at Friday evening's session. This is an open meeting and all characters attracted by the prospect of airing their views, or even just listening in without committing themselves too far are free to come, whether specially invited to represent some organization or not.

No refreshments will be served, so early suppers are recommended, as it is proposed to keep the meeting open until everybody has had his say. Who knows? maybe they've got something this time and it would be too bad if anybody held out on them, only to find out later that this time it was the real McCoy for sure.

New Party Leader?

IF POSTMASTER General Robert Hannegan, present head of the Democratic National Committee, resigns, he would probably be succeeded by Gov. Robert Samuel Kerr (above) of Okla. (*International*)

FACTORS IN RACE PREJUDICE CITED

BERKELEY: Racial prejudice operates in different minority groups, results of a study at the University of California indicate.

In each case says Dr. Else Frenkel Brunswik, lecturer in psychology, prejudice is a method of propecting one's character difficulties to others.

"For example," Dr. Brunswik says "prejudice against Negroes is a projetion of instinctual things, such as laziness, dirtiness, preoccupation with sex, etc., which one does not like to admit in oneself. Negroes and Mexicans make a good target because they are a submerged minority.

"On the other hand, prejudice against Jews is a projection of traits which the prejudiced would like to attribute to themselves but feel the Jewish minority should not have. Thus it is said Jews have "too much drive are too intelligent have "too much power". The reason this type of prejudice is directed against Jews is that they are a minority with a record of achievement."

SILVER TEA AT ST. AGNES

NEVADA CITY: St. Agnes Guild on Thursday, December 5th gave its annual silver tea in the Parish Hall of Trinity Episcopal Church.

A delightful program, chiefly musical, in charge of Mrs. Fred Anderson was rendered. The guild members were hostesses to large attendance of Nevada City people who always attend this annual event.

The word mistletoe is of Celtic origin and means different twig.

CAPT. BLAKE ADDRESSES ROTARY

GRASS VALLEY: In an address before the Grass Valley Rotary Club, Captain Joseph Blake of the California Highway Patrol said:

"If you see a drunk about to step into a car to drive it, call an officer. You wont be a squealer. You will be doing the drunk, yourself and public a favor by checking a highway driving menace which might end in a fatality."

Captain Blake declared that during December at present rate of traffic fatalities, 500 people will be killed in California. He said that on the four mile section of highway between Grass Valley and Nevada City there is an accident of one accident a day. Earl Caddy, program chairman, introduced the speaker.
